**Cambridge IGCSE® First Language English
Teacher's Resource
Fourth edition
Marian Cox**

This stand-alone, photocopiable Teacher's Resource provides a comprehensive solution to teaching the Cambridge IGCSE® First Language English course. It contains teaching resources not linked to the Coursebook or Workbook topics, so it can be used independently or to supplement teaching using the other components in the suite. It contains 28 themed units grouped into six parts focusing on the following skills: Reading comprehension, Writers' effects, Summary, Directed writing, Composition and Coursework. The Teacher's Resource includes practical advice for teachers as well as worksheets with answers and full lesson plans.

Cambridge IGCSE First Language English Teacher's Resource is supported by additional online teaching resources. Go to education.cambridge.org to access these.

This Teacher's Resource includes the following features:

- Endorsement by Cambridge International Examinations.
- Fully updated material to cover the following syllabuses (revised for first examination in 2015): Cambridge IGCSE First Language English (0500) and Cambridge International Level 1/Level 2 Certificate First Language English (0522).
- Detailed lesson plans, and the reading texts and visual aids required to deliver the lessons.
- Photocopiable exercises and worksheets with answers provided.
- Handouts on key teaching points such as aspects of narrative and report writing available in the additional online resources.
- New international reading texts on engaging topics to capture students' attention.

Completely Cambridge – Cambridge resources for Cambridge qualifications

Cambridge International Examinations is the world's largest provider of programmes and qualifications for 5–19 year olds. Cambridge University Press is the oldest publishing house in the world, having been operating continuously since 1584, and is one of the largest academic publishers globally.

Cambridge University Press works with Cambridge International Examinations and experienced authors to produce high-quality endorsed textbooks and software that support Cambridge Teachers and encourage Cambridge Learners.

Visit education.cambridge.org/ole for information on our full range of Cambridge IGCSE titles.
